

...A Place For All Seasons!

## Newsletter FALL 2022

A big thanks goes out to **Dan Wensel** for donating some fishing poles for the use of members of Uintalands! The poles are located in the restroom of the maintenance shed. Please return them once you have used them so that others can take advantage of Dan's generosity.

### Calendar:

#### **November Annual Members Meeting:**

Wednesday, November 9<sup>th</sup>, 7:00pm

Annie's Diner, 286 N 400 W, Kaysville

#### **December Board Meeting:** Wednesday

December 14<sup>th</sup>, 6:30pm, Bountiful.

*As always, owners are welcomed and encouraged to attend all board meetings.*

### **Pond Rules**

**No age limit for use**

**Catch & Release ONLY**

**Single barbless hooks**

**Artificial Lures & Flies only**

**NO bait of any kind**

**NO swimming/boating/kayaking**

**Fishing only please**

Annual Meeting for Uintalands will be held on Wednesday, November 9<sup>th</sup> at 7:00 pm at Annie's Diner in Kaysville. We will be going over the proposed budget for 2023, reviewing information, and voting on three new board members. Please plan to attend this meeting. Also included in this newsletter is information regarding who is running for the board, a ballot, and the proposed budget. Please make sure that your ballot is clearly marked and signed. Unsigned ballots will not be counted.

**Unfortunately, there have been numerous cases of speeding lately. The speed limit throughout the entire association is 20 MPH. PLEASE obey all speed limits and make sure your guests obey them as well! Thank you!**

**Reminder:**

**All UTV's, 4 Wheelers, and Motorcycles MUST have a lot tag attached. If you don't have one, please purchase one from the caretaker. This applies to your visitors as well.**

**Also, there is absolutely NO irrigation allowed.**

**Thank you.**

**NOTICE:**

**A dedicated parking area for the pond is in the works. Please be patient while this is completed. Once complete, there will be NO PARKING on the west side of the pond, from the road to the dam. Thank you.**

**Uintalands Winter Rules for Trailers and Trailer Parking**

Snowmobile trailer parking in the winter parking areas will be **open beginning October 15th**. The Caretaker will have parking areas marked with spray paint. Travel/Camp trailers are not allowed in the Winter Parking area and must be removed from all lots in Uintalands by November 1st.

Winter parking has been very crowded the past few years. If you have a storage trailer that will not be used for winter recreation, please do not bring it to winter parking. Storage trailers are allowed to remain on your lot during the winter, camping and travel trailers are not allowed and must be removed from all Uintalands lots by November 1st.

Please note the following

- Trailers parked in winter parking areas prior to October 15th will be cited and may be towed.
- No travel/camp trailers are allowed in winter parking areas and will be towed.
- All trailers parked in winter parking must have Lot numbers attached. Violators will be cited.
- Please check in with our Caretaker, Doug Madsen, before parking your trailer. Doug will help with where and how to park.
